

PRAYER OF THE RESTORED

Merciful and Mighty God of Grace,

We praise You Lord for who You are

We worship You for the fact that through the ash filled graves of this dying world You have redeemed our souls

You have heard our cries and have shown Yourself to us through tear-stained eyes

Although we walk, limp and crawl through the valley of the shadow of death, You have made a path through this desert for Your children

*We praise You Jehovah for we are Your **Restored***

The enemy had left us for dead but You were only beginning a good work in us

Where there was hopelessness now there is hope

Where there was disgrace and shame there is now beauty and restoration

Where there was hate and anger there is now Love and Joy

*We praise You Abba Father for we are Your **Restored***

You have forgiven the unforgivable

You have set free the guiltiest of hearts and washed clean the bloodiest hands

You were pierced for the ones who drove the nails and for the ones who still hold the hammer

You have healed the sick in us and You have raised these dead

*We have breath therefore we will praise the Almighty King of Glory for we are Your **Restored***

We will carry this cross as we walk in Your shadow

We will crawl willingly unto the altar to offer ourselves

We will go after them Lord with everything we have

We will not stop until breath has left these earthly bodies

We will worship You with our lives and with endless songs

We will dance for You, and on that day we will dance with You forever

We will sow much and You will reap much in the Harvest Father

*We are Your body and we follow You as our head for we are Your **Restored***

Our feet are on the ground Lord,

Our Eyes are in the sky,

Our hearts are in Your hands,

Our hope is always in You,

And our arms will be reaching for Your lost...

Spirit of God lead us in everything, as we walk forward facedown

*You are our vision for we are Your **Restored***

Bring us ALL home Jesus – More of You, less of us...

We cannot wait until we see Your face – It is our soul's greatest desire for the words "Well done" and it's all for You, our Father...

We love You with everything we have...

*The prayer of Your **Restored***
